

Swindon Multi sports provide a safe and happy environment for all children to have fun, make new friends and remain active. We focus on physical, social and emotional development setting clear expectations for both behaviour and wellbeing. It is the parents or carers responsibility to provide any behaviour issues or management requirements at the time of the booking.

We provide a safe and friendly environment where all coaches are role models treating all participants with fairness and respect.

We have a fair and open approach to discipline by all members of staff.

- We acknowledge and reward positive, considerate and supportive behaviour.
- All behavioural incidents are recorded and reported to parents where necessary.

Our Expectations of the participants are:

- To listen to and follow instructions given by coaches.
- To show respect for all personal property, property of Swindon MultiSports Ltd, all equipment and the facilities.

Unauthorised taking of property will not be tolerated.

- We have a zero tolerance of swearing offensive language, aggressive behaviour or violence.

How we Manage Behaviour:

- The coach will attempt to resolve the situation. If unsuccessful, the child will be removed from the session by a lead coach, and will discuss with them their inappropriate behaviour. Another member of staff will always be present when behaviour expectations are reiterated to the child.
- If unacceptable behaviour continues to take place, the parent/carer will be contacted and they will be asked to collect their child from the club. The child will be allowed to return to further camp sessions, should their behaviour improve.
- Serious behavioural incidents will be recorded in the 'Behaviour Log Book'.
