Fire and Evacuation Procedures

- Staff are aware of the location of all fire exits, the fire assembly point and where fire safety equipment is stored.
- Children are introduced to the fire safety procedures during their settling in period
- All children are shown the location of fire exits and the fire assembly point.
- Fire doors and fire exits are clearly marked, are not obstructed at any time and are easily opened from the inside.
- Fire doors are kept closed at all times but never locked.
- Fire extinguishers, fire alarms and smoke alarms are regularly tested in accordance with manufacturer's guidance by school

Fire prevention

The Club will take all steps possible to prevent fires occurring by:

- Ensuring that power points are not overloaded with adaptors.
- Ensuring that the Club's No Smoking policy is always observed.
- Checking for frayed or trailing wires.
- Unplugging all equipment before leaving the premises.
- Storing any potentially flammable materials safely.

In the event of a fire

- A member of staff will raise the alarm and call the emergency services.
- The children will immediately be escorted out of the building to the assembly point using the nearest marked exit.
- No attempt will be made to collect personal belongings, or to re-enter the building after evacuation.
- The premises will be checked by the Manager and the register will be collected, providing that it is safe to do so.
- The Manager will close all doors and windows to prevent the spread of fire when they leave the building if it is safe to do so.
- The register will be taken and all children and staff accounted for.
- If anyone is missing from the register, the emergency services will be informed.
